Jazz, Blues, and More

A professional pianist and keyboardist since he was 14, Dave has composed countless songs and instrumental compositions. Originally from Chicago, he studied classical piano and later studied jazz piano in Boston, MA. He currently performs as a solo jazz pianist and with several bands of various genres. Dave produces music at his studio in North Carolina. Dave's music encompasses many genres. His musical influences include Bob James, Chick Corea, Herbie Hancock, Jeff Lorber and Lyle Mays, The Rippingtons and Spyro Gyra.
